Meth Lab Equipment Confiscated

PUTNAM COUNTY, TN – On April 24, 2017, the Putnam County Sheriff's Office received a citizen complaint of a possible methamphetamine lab inside a barn on Kuykendall Rd. Agents with the PCSO's Narcotic Division responded and located several items consistent with the manufacture of methamphetamine inside a backpack. Arrests will be made regarding this incident.

“As your Sheriff, I am aware of this issue. Putnam County doesn't deserve the negative impacts (sociological, environmental, economic and more) associated with illegal drugs. If you traffic illegal narcotics in this county, we will find you and arrest you,” said Sheriff Eddie Farris.

The Sheriff and the Narcotics Division would like to thank Putnam County citizens for their assistance in this matter, and we welcome information regarding illegal narcotic activity. Citizens and law enforcement must continue working together to combat the war on drugs.

Narcotic investigators are pursuing leads and encourage anyone with information to contact the Putnam County Sheriff's Office (931) 528-8484 or the Drug Tip Hotline (931) 525-6384.
