Sheriff's Office Narcotics Unit and Warrants Division Nabs Drug Duo

PUTNAM COUNTY, TN (December 19, 2018): the Putnam County Sheriff's Office Narcotics Unit and Warrants Division served warrants on a local couple that netted the seizure of methamphetamine, marijuana, Suboxone pills, Xanax pills and approximately \$2,300 in cash. Robert Casey Hedrick and Sarah Spurlock were arrested on violation of probation warrants in Putnam County. The pair was additionally charged with possession of schedule II drug with intent to sell or deliver.

Agents went to the local hotel where the couple was renting a room to serve their warrants. While serving the warrants agents discovered items used for the sale and delivery of drugs: methamphetamine, marijuana, pills, scales and packaging materials. Other drug paraphernalia such as hypodermic needles were visible throughout the room as well.

Hedrick and Spurlock have a history of drug arrests. Spurlock was released from jail in August of 2018 on similar charges and was currently serving an 8- year probation sentence. Hedrick is currently on probation for sell and delivery of methamphetamine and has history of assault, aggravated assault, aggravated burglary, unlawful possession of a weapon and theft as well.

Both are being held without bond at the Putnam County Detention Center on the Violation warrants.
